ePerformax International Expands Operations in the Philippines

Manila, Philippines (January 29, 2008) – ePerformax International, a Philippines-based contact center and BPO services provider has announced that it will be expanding its Cebu City location in the second half of 2008. With a total capacity of 1,500 workstations the center is located at JY Square in Lahug, Cebu City.

With this expansion ePerformax will have over 3,500 workstations in its two locations in the Philippines. The other location is in Makati City in Metro Manila. The company plans to recruit up to 1,000 additional contact center professionals in the Philippines between now and the end of 2008 to serve its Fortune 500 client base.

About ePerformax International

ePerformax is a dynamic and growing Filipino company that provides services to Fortune 500 companies who value the company's ability to deliver bestinclass BPO and contact center services. The company employs Six Sigmabased best practices for process and people management, TESDA Certified training programs, US and AIM trained executives, and a highlyexperienced management team that enable it to achieve extraordinary performance results.
